- **After sales service** : Service network for total customer satisfaction.
- Available with Sensor Flushing System and also with Motion sensor, Hygienic, Energy Saving & Easy Maintenance Facilities.

6 REASONS TO CHOOSE SIMPOLO

1

Technology

SIMPOLO has brought the spirit of innovation to the bathroom - a recipe for success that has made it leading supplier of ceramic sanitary ware. Now, SIMPOLO is set to use state of the art technology to make everyday life more comfortable and convenient.

2

Comfort

Comfort will play an essential role in the bathrooms of tomorrow. That's because anyone who values first-class design attaches the same importance to other aspects of their bathroom. SIMPOLO has developed the perfect solutions to meet these existing requirements, bringing you the very best that modern bathroom culture has to offer.

3

Innovative Design

The design plans are sketched out in a way that they stay true to the modern-day decor. They will blend into your spaces with a flair of familiarity. The sanitaryware is fashioned in a manner that will acclimate into all kinds of interior decoration style environments. There will be no bargain on quality and look of the creation.

4

Well-being

Since time immemorial, modern bathroom culture has represented the epitome of cleanliness and well-being. Above all, every SIMPOLO bathroom provides not only convenience & functionality, but also a heaven for relaxation. It is for this reason that SIMPOLO brings together oriental bathroom culture with Western engineering.

5

Purity

The bathing ceremony has always been an element of modern culture. Cleanliness and hygiene are an integral part of everyday life in modern living, where spiritual and physical purity go hand-in-hand. One cannot exist without the other. This is also one of SIMPOLO's main principles.

6

Bacteria Free

The ground breaking Silver Nano technology is being put to use into all the bearings of SIMPOLO Sanitaryware. The series is layered with distinct a Nano Ceramic glaze containing Silver Nano particles that is the ions. This will prevent any kind of bacteria to thrive making it absolutely clean and safe.
