Movements

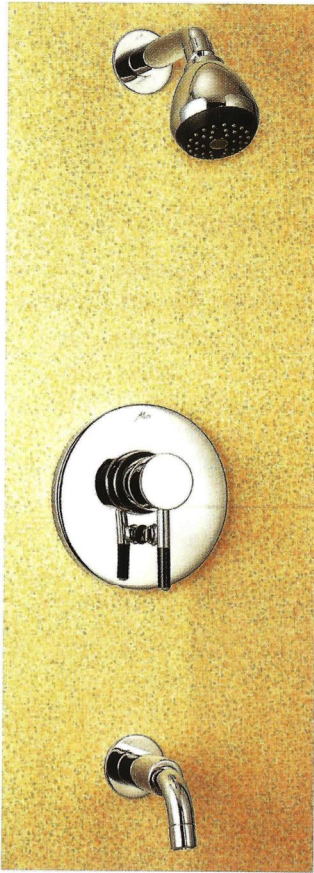

SERIES

Single Lever Mixers

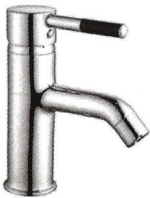

Angles and curves create a new movement

The Movements series from Marc combines the angular look with gentle curves.

While the basic shape is the cylinder or tube, you'll find subtle differences between the way our single lever mixers and quarter turn mixers are designed.

MMO-2012 Single Lever Basin Mixer **DELUX**

MMO-2010 Single Lever Basin Mixer **STANDARD**

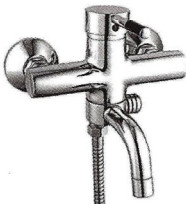

MMO-2020 Single Lever Concealed Mixer for Bath / Shower

MMO-2230 Single Lever Concealed Divertor High Flow

ORIENTAL SERIES

Half Turn Series

Simplicity can be stunning

Oriental from Marc is designed to celebrate simplicity in the bath space. It blends gentle curves with square edges, yet the effect is stunningly simple.
